DIRECTIONS: Write about what you did with your family on the lines below. Use the space in the box to "show" what you did. For example, if you went to a museum, you could tape your ticket stub in the box. If you read a book, you could draw a picture of the book's cover. Be creative! Show what you did or talked about in an interesting way. Ask your parent or guardian to sign at the bottom of the page and bring this sheet back to class.
