To determine a student's writing designation and proficiency level:

1. Choose the chart below that matches the student's grade level.
2. Circle the number correct in Parte 1 (0-10).
3. Circle the combined total score for Parte 2 and Parte 3 (0-9).
4. Find the intersection (crossing point) between the student's raw score in Parte 1 and his or her Productive Writing Score in Parte 2 and Parte 3.
