

Name: \_\_\_\_\_

# Adjective Adventures

**Directions:** The geography sentences below are missing adjectives. Read each sentence and choose two adjectives from the word list to describe the geographical feature (the word in **orange**). Look up the adjectives and geographical features in the *IDEA Picture Dictionary 2* to find out their meanings. You may use each adjective in more than one sentence. (Hint: An adjective is a word that describes a person, place, or thing.)

## Adjective List
